RE: AB 2859 (Patterson) - Support

Dear Assemblymember Patterson,

The Emergency Medical Services Administrators Association of California (EMSAAC), representing the interests of all 34 California Local EMS Agencies (LEMSAs) covering all 58 California counties, write in support of AB 2859. AB 2859 would provide peer-to-peer support for emergency medical technicians and other ambulance employees.

This bill would aid in workforce development, by supporting new and existing EMS employees. This bill is also likely to enhance patient care.

EMSAAC is pleased to support AB 2859. If you have any questions please reach out to our lobbyist Darby Kernan at dkernan@mosaicsof.com.

Thank you,

Nick Clay
EMSAAC President
